Justin's Story

Justin was an outstanding student at Kingsbury, excelling in the classroom and on the sports field. He truly embodied the spirit of a Kingsbury Kid. Sadly, Justin lost his life in a tragic accident in August 1997, just before he was supposed to enter eighth grade that fall.

In memory of Justin, the community came together and built the Justin A. Schwartz Gymnasium and Performing Arts Center in the fall of 1998. It was a wonderful effort that honored Justin's legacy.

We greatly miss Justin and appreciate your ongoing support in keeping his memory alive at Kingsbury Country Day School. Your contribution means a lot in preserving the Kingsbury Way. Thank you!
